

**IIT KANPUR
FOUNDATION**

ANNUAL **REPORT** 2025

PRESIDENT'S

Message

My Fellow IITK Alumni,

As I conclude the sixth and final year of my second term as President of the IIT Kanpur Foundation, I am struck by the transformation we have achieved through the synergy of our committed leadership team. While the Foundation's roots trace back over twenty-five years, these last six years have seen us evolve into a professional, high-impact force—a powerful engine that is not only mobilizing record-breaking resources but also fostering the deep intellectual and research collaborations that will shape the Institute's future. I feel a profound sense of gratitude for what we have accomplished together, and I am especially thankful to Prof. Abhay Karandikar and Prof. Manindra Agrawal for the trust and confidence they placed in me to lead this vital organization.

When the new team first stepped into this role six years ago, our vision was clear: to build a structured, transparent, and impactful platform that empowers alumni to contribute meaningfully to the growth of our alma mater. Today, that vision has translated into sustained momentum across fundraising, engagement, and institutional collaboration. Specifically, we have professionalized our financial backbone—encompassing rigorous auditing, tax

compliance, and seamless donor stewardship. We have established consistent outreach processes, such as the annual **IIT Karvaan** roadshows and the publication of our **Annual Report**. We also launched a brand-new website (iitkfoundation.org) to facilitate donations and ensure total transparency through published audited financial reports. Furthermore, we have expanded the footprint of our local alumni chapters across the country. To our entire Board, past and present: thank you for your partnership, your patience, and your shared belief in what IIT Kanpur can become.

The IITK Foundation is run solely by a group of dedicated alumni volunteers, and our operational success would not have been possible without the tireless support of the IITK Development Foundation (IITK DF). I would like to extend my sincere gratitude to CEO Kapil Kaul and his dedicated team, whose partnership has been instrumental in enabling the core processes and functionalities that are vital to the Foundation's operations.

A Legacy of Impact

Over the course of this journey, the Foundation has raised significant financial resources to support a wide range of initiatives at IITK, from scholarships and faculty chairs to cutting-edge research and infrastructure. These contributions represent a collective investment in the future of our Institute. Over the five and a half years of my tenure, the Foundation has successfully facilitated more than \$40 million USD in contributions, a testament to the growing culture of giving within our community.

This year, alumni-led giving reached historic milestones. A deeply personal highlight for me was leading the fundraising campaign for my own batch—the Class of 1990—to mark our 35th reunion. This journey involved months of direct engagement, reconnecting with batchmates globally, and aligning our shared legacy with the Institute's future. I am incredibly proud to share that we not only met but exceeded our \$1.5 million goal by a big margin.

This momentum is echoing across generations. Notably, the Batch of 2000 has set a breathtaking new benchmark with a record-breaking commitment of Rs. 100 crore, marking the most significant batch-led contribution in the Institute's history. These efforts represent a fundamental shift in our community—moving from sporadic giving to a model of strategic investment.

Between January 2025 and March 2026, the Foundation instituted 27 new programs at IIT Kanpur, including 17 scholarships, 2 faculty chairs, 2 faculty fellowships, and 2 distinguished lecture series. We remain committed to providing our donors with clear, comprehensive reports on fund utilization, ensuring the real-world impact of your support is evident.

Expanding Our Global Footprint

Beyond the numbers, this past year has been defined by milestones that strengthen the Foundation's long-term trajectory:

- **IITKarvaan USA:** This flagship engagement series continues to thrive. This year's edition spanned Dallas, the Bay Area, Boston, and New York, bringing together alumni and faculty to shape the roadmap for IIT Kanpur.
- **The FACE Symposium:** We launched the Faculty Alumni Collaborative Endeavour (FACE), an inaugural global symposium focusing on Sustainability, Medical & Healthcare Innovation, and AI & Cybersecurity.
- **Chapter Growth:** We have continued to make steady progress in strengthening our chapter ecosystem, with formalization of chapters in Dallas and Seattle.

Gratitude to Our Benefactors

While every contribution we receive—regardless of scale—is a vital thread in the fabric of our progress, our success over the past six years has been anchored by the generous spirit of few individuals whose transformational support has served as a cornerstone for our most ambitious initiatives.

I wish to express my deepest appreciation to: Mr. Rakesh Gangwal, Mr. Muktesh (Micky) Pant, Mr. Sudhakar Kesavan, Mr. Dev Joneja, Mr. Anil Bansal, Mr. Jeet Bindra, Mr. Pawan Tewari, Dr. Chandralekha Singh, and Dr. Jeremy Levy.

Collectively, your contributions have been the lifeblood of our vision. Among other things, they have enabled the establishment and growth of the Gangwal School of Medical Sciences & Technology, the Shivani Centre for the Nurture and Re-Integration of Hindi and other Indian languages, and the Chandrakanta Kesavan Centre for Energy Policy and Climate Solutions, several new research labs and innovation centers within the Department of Chemical Engineering. Furthermore, your benevolence has instituted dozens of endowed faculty chairs, scholarships, and awards that ensure IIT Kanpur remains a global leader in both teaching excellence and translational research.

Leadership Transition & Gratitude

At this important juncture, I am pleased to acknowledge a key leadership transition. We are honored to welcome Mr. Deepak Raj as Chairman of the IIT Kanpur Foundation. A distinguished alumnus, Deepak brings decades of global financial expertise and a deep commitment to philanthropy. His vision will be invaluable as the Foundation enters its next phase of growth.

None of the transformation we have achieved would have been possible without the shared commitment of our Board, our donors, our volunteers, and our chapter leaders. As I end my final letter to you as President, I urge you to remain deeply engaged. Whether through contributions, participation in chapter activities, or volunteering your expertise, your involvement is the engine that creates lasting impact.

Thank you for the trust you have placed in me over these past six years. I wish our entire IITK community continued success, and I leave you in the exceptionally capable hands of Deepak Raj and our next President, confident that the foundation we built together will reach even greater heights.

Warm regards,

Dr. Rajeev Ranjan

ABOUT IITK

Foundation

Charitable Purpose

To receive donations, bequests, gifts, and grants from alumni, chapters, benefactors, corporations, or trusts to support education and research at IIT Kanpur in the fields of technology, science, social sciences, and humanities.

Alumni Services Purpose

To build a vibrant alumni organization, foster fellowship among alumni through local chapters, provide a forum for communication among alumni, and create opportunities for alumni to support IIT Kanpur and the mission of the IIT Kanpur Foundation.

Chapter Outreach

An active network of chapters creates local communities of IITK alumni, which, in turn, connect into an expanding global network. Graduates of IIT Kanpur are encouraged to take full advantage of this powerful network that links alumni across diverse ages, experiences, interests, and geographies.

Donations are used for

- Purchase of equipment for research and education
- Establishment of reference and research facilities
- Construction and renovation of research and education facilities
- Acquisition of real estate
- Establishment of endowments that IIT Kanpur may use for its future growth and maintenance
- Scholarships and fellowships for IIT Kanpur students, as well as other purposes designated by donors, provided these contributions advance the educational and research missions of IIT Kanpur.

**MAJOR
ENGAGEMENT
&
OUTREACH
ACTIVITIES**

SEATTLE CHAPTER

Events

The Seattle chapter demonstrated exceptional momentum with a high frequency of engagements, hosting a wide range of activities including hikes, cultural celebrations, musical evenings, and knowledge sessions.

Signature initiatives such as large-scale hikeathons, festival gatherings, and alumni hosted socials drove strong participation and community building. The chapter also saw a significant rise in engagement, reflecting deeper connections and sustained collaboration within the alumni network.

SILICON VALLEY ALUMNI ASSOCIATION *SVAA*

The Silicon Valley chapter stood out as one of the most active and consistently engaged alumni communities, with an exceptional cadence of programming and participation.

With multiple events each week spanning hikes, socials, musical evenings, and knowledge sessions, the chapter fostered a vibrant and deeply connected ecosystem that brought alumni together across interests and generations.

Signature initiatives such as the Hikeathon, large scale festival celebrations, and immersive community-gatherings created a strong sense of belonging while encouraging active participation.

EAST COAST CHAPTER

Events

The East Coast chapter continued to strengthen alumni bonds through warm, community driven gatherings such as the annual Holi Milan.

With strong participation from alumni and their families, the event blended festive celebrations, shared memories, and intergenerational connections. These engagements reinforced a deep sense of belonging and highlighted the close-knit nature of the alumni community in the region.

IITK ALUMNI EAST COAST CHAPTER

ANNUAL PICNIC

40

YEARS OF MEMORIES

★ 1985 - 2025 ★

The IIT Kanpur East Coast Chapter Annual Picnic stands as one of the longest running and most cherished alumni traditions, bringing together generations of alumni and their families in a celebration of connection, nostalgia, and community. Marking 40 years, the picnic reflects a legacy built on shared memories, evolving from a small gathering into a vibrant, multi-generational event that continues to strengthen bonds and create lasting relationships.

Rooted in simplicity and togetherness, the picnic blends informal interactions with traditions such as shared meals, introductions, games, and cultural moments, creating a warm and inclusive space for all.

IITK EMERGING LEADERS (UNDER 40)

The IITK Emerging Leaders (Under 40) initiative was launched as an organic effort to bring together the younger alumni base and create a platform for meaningful engagement and peer connection. The first gathering, held in November 2025 in Silicon Valley, saw strong participation with around 50 attendees, setting the tone for future interactions. Building on this momentum, the initiative is expected to continue with a regular cadence. Led by a driven organizing team of young alumni, the initiative reflects a growing energy among the next generation to stay connected, collaborate, and contribute actively to the alumni ecosystem.

IITK ENTREPRENEURSHIP FORUM

IITK Entrepreneurship Forum (IITKEF), now part of the IITK Foundation, serves as a curated platform bringing together founders, investors, and CXOs to foster meaningful dialogue, collaboration, and entrepreneurial growth within the alumni ecosystem. Designed to strengthen networks and enable high-impact exchanges, the forum focuses on venture building and leadership.

The initiative was launched with its first event in October 2025 in Silicon Valley, featuring a curated audience and strong industry participation. Building on this momentum, IITKEF is set to continue with a structured cadence, with the next engagement planned for Q1 2026, further reinforcing its role as a key platform for alumni-led innovation and collaboration.

Fireside Chat with Arvind Jain

Co-founder, CEO of Glean, Co-founder of Rubrik

Oct 13, 2025

Details coming soon

Join us for an inspiring fireside chat with Arvind Jain, co-founder and CEO of Glean, co-founder of Rubrik (which went public in 2024), and former Google Distinguished Engineer. From his early days at Google to building revolutionary companies, Arvind has consistently been at the forefront of AI and enterprise technology innovation. Don't miss this opportunity to hear from a visionary leader who's shaped the future of both cloud infrastructure and AI-powered enterprise search.

IIT KANPUR VISITS

Dallas
Boston
Bay Area
New York

The gathering brought together alumni yet again under the IITKarvaan banner, creating a warm and enthusiastic environment of new connections and shared memories. It set the foundation for a growing and engaged alumni presence in the region.

IITKARVAAN

Dallas

IITKarvaan marked its debut in Dallas, making it a special milestone for the alumni community in the region.

The gathering brought together alumni under the IITKarvaan banner, creating a warm and enthusiastic environment of new connections and shared memories. It set the foundation for a growing and engaged alumni presence in the region.

IITKARVAAN

Boston

The first edition of IITKarvaan in Boston brought a fresh wave of energy to the East Coast alumni network.

With a strong sense of curiosity and participation, the event created an intimate yet vibrant space for meaningful conversations and renewed connections. It reflected the growing momentum of alumni engagement in the region.

IITKARVAAN

Bay Area

As one of the largest and most active alumni hubs, the Bay Area witnessed a dynamic and high-energy IITKarvaan.

The gathering brought together a diverse and deeply connected community, fostering rich discussions, collaborations, and a strong sense of collective pride. It reaffirmed the Bay Area's central role in the global alumni ecosystem.

IITKARVAAN

New York

IITKarvaan in New York captured the vibrancy and diversity of one of the institute's key alumni hubs.

The event saw strong participation and lively interactions, creating a space where professional networks and personal connections seamlessly came together. It reinforced the strength and depth of the IIT Kanpur alumni presence in the region.

IITK FOUNDATION

Silver Jubilee

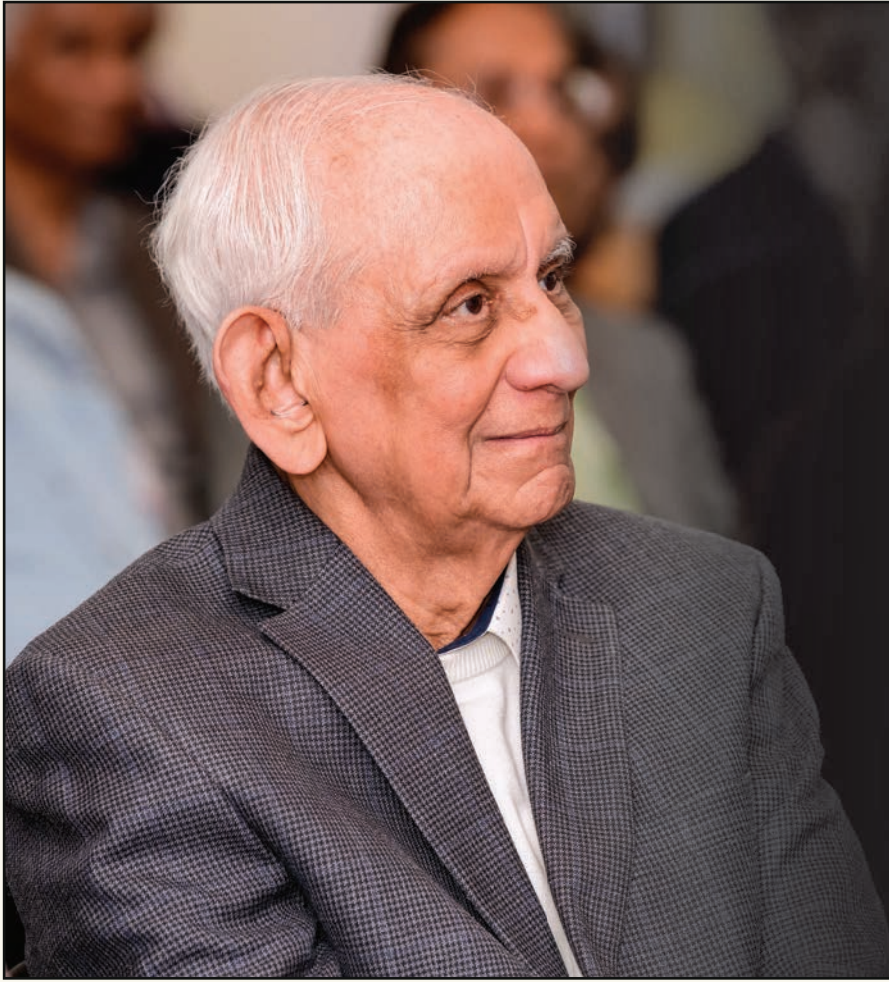

SUMMIT 2025

CELEBRATING
YEARS OF
IMPACT

25

The Silver Jubilee Summit marked a significant milestone in the journey of the IIT Kanpur Foundation, bringing together the strength, vision, and collective spirit of its global community. The event served as a platform for meaningful dialogue, reflection, and renewed commitment, celebrating 25 years of sustained engagement and support from alumni and well-wishers across the world. It highlighted the Foundation's evolution and the pivotal role of its stakeholders in shaping its growth and impact.

As the IIT Kanpur Foundation marked 25 years of advancing excellence, the occasion provided an opportunity to honor Prof. K.A. Padmanabhan, former Director of IIT Kanpur, whose vision and leadership were instrumental in laying the foundation for this journey. It was under his stewardship that the concept of a global, alumni-led foundation first took shape, establishing a strong and enduring connection between the Institute and its worldwide community of changemakers.

The gathering served as a tribute not only to Prof. Padmanabhan's contributions but also to the broader spirit of institution-building that he exemplified.

FACE 2025

FACULTY ALUMNI COLLABORATIVE
ENDEAVOUR

The Faculty Alumni
Collaborative Endeavour
FACE 2025, held at Stanford
University

The Faculty Alumni Collaborative Endeavour FACE 2025, held at Stanford University, served as a global platform bringing together faculty, alumni in academia, and researchers to foster collaboration, strengthen scholarly networks, and advance interdisciplinary engagement. Rooted in its vision to deepen institutional connections and translate research into impact, the symposium highlighted three key tracks of global relevance. Through rich discussions and diverse participation across academia and industry, the event reinforced its role as a catalyst for long-term collaboration, knowledge exchange, and future-focused innovation.

TRACK 1

Innovations in Medical Devices, Diagnostics, and Therapeutics focused on advancing accessible and affordable healthcare solutions.

TRACK 2

Sustainability explored climate action, resource management, and pathways for responsible development.

TRACK 3

AI and Cybersecurity examined the transformative role of artificial intelligence alongside the need for secure and ethical digital systems.

**FUNDRAISING
INITIATIVES
&
FINANCIAL
OVERVIEW**

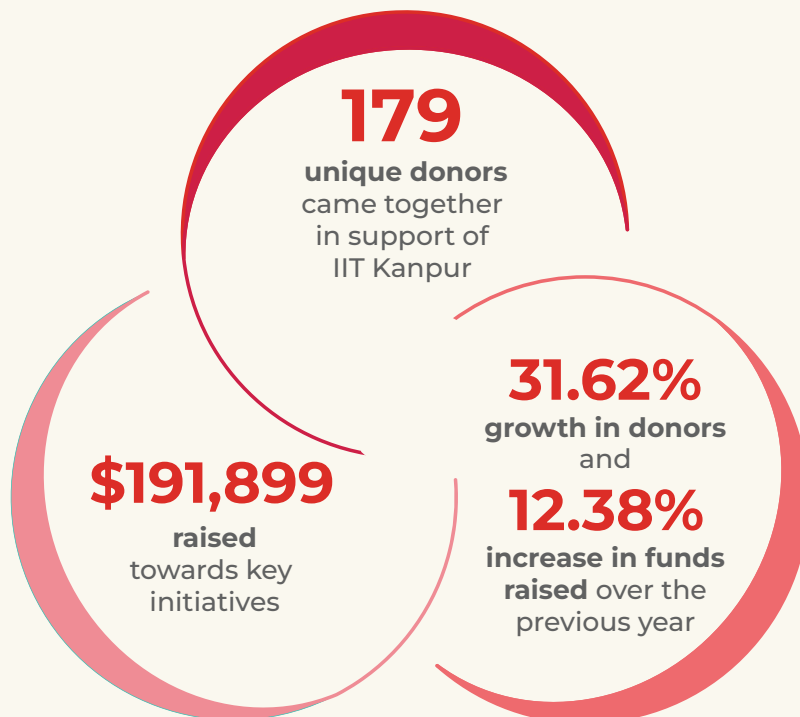

SEASON OF GIVING

FROM VISION TO IMPACT

The Season of Giving (SOG), IIT Kanpur's flagship annual campaign, sees strong participation, with U.S.-based donors contributing about 65% of the total raised. Rooted in a shared sense of gratitude and responsibility, SOG goes beyond fundraising - it is a celebration of community, where every contribution reflects a commitment to strengthening the institute's future. It serves as a powerful reminder that small, individual acts of generosity can come together to create meaningful, lasting impact.

For IIT Kanpur, the relevance of SOG lies in its ability to build a culture of participation and ownership among its global alumni base. It creates an accessible and time-bound opportunity for the community to contribute towards student support, academic excellence, and institutional growth. More importantly, it reinforces the idea that giving back is not just about the magnitude of contribution, but about being part of a collective movement that uplifts the institute and its people.

IMPACT SNAPSHOT (SEASON OF GIVING):

These numbers reflect more than just financial contributions, they represent a growing culture of engagement, trust, and shared purpose within the IIT Kanpur community.

PROGRAMS

Overview

Enabled by the generous support and belief of donors, the year marked the establishment and strengthening of several key academic and research initiatives, including Scholarships, Awards, Faculty Chairs, Faculty Fellowships, Distinguished Lecture Series, Travel Grants, and a range of special programs designed to benefit students and faculty. These initiatives reflect a shared commitment to advancing excellence in education while creating meaningful opportunities for students to learn, explore, and grow within a dynamic academic environment.

At the heart of these programs lies a strong spirit of giving that continues to power groundbreaking research, innovation, and academic leadership. By supporting talent, enabling global exposure, and fostering cutting edge work across disciplines, these contributions are not only shaping the journeys of students and faculty today but also building a lasting ecosystem of impact, discovery, and future ready innovation.

Programs	17 Scholarships	1 Travel Grants	2 Special Program
1 Awards	2 Distinguished Lecture Series	2 Faculty Fellowships	2 Faculty Chair

FAQs

1. How can I make a donation to IITK?

You can donate to IIT Kanpur through various methods, including online donations, bank transfers and cheques through the IITK Foundation website. You may refer to the donation guidebook at <https://iitkfoundation.org/uploads/guidebook-donating-iitkfoundation.pdf>

2. Is there an online donation portal available for contributions to IITK?

Yes, IIT Kanpur typically maintains an online donation portal on its official website, where you can securely make donations using credit cards, debit cards, or other online payment methods. <https://iitkfoundation.org//donate>

3. Can I make a donation through a bank transfer?

Yes, you can make a donation to IITK via bank transfer. Click here to know more <https://iitkfoundation.org/donate/Annual-Gift-Programme> or contact cfo@iitkfoundation.org for the necessary bank details, including the account name, account number, branch name, bank name, and relevant codes

4. Are there specific funds or projects at IIT Kanpur that I can contribute to?

Yes, IIT Kanpur often has established unrestricted funds for specific projects that you can contribute to. These funds are designated for various purposes, such as scholarships, research initiatives, or infrastructure development

5. Can I designate my gift for a specific purpose?

Yes - in fact, the Institute encourages you to direct your contribution to a program that is meaningful to you. Explore the Institute's giving opportunities to learn about the many other areas that can benefit from your support

6. What should I do if I want to include IIT Kanpur in my estate planning or will?

If you wish to leave a legacy donation, you can include IITK in your estate planning and will. Consult with your legal advisor to ensure your intentions are properly documented or contact cfo@iitkfoundation.org

7. Does my employer offer a matching gift program for donations?

Some employers have matching gift programs where they match or multiply their employees' charitable contributions. Check with your employer to see if such a program is available, which can significantly increase the impact of your donation

8. How can I make a donation in memory of someone?

Many people choose to give to IITK in memory or in honor of a family member, classmate, faculty member, or friend. Please drop us a mail at dora_desk@iitk.ac.in and we will be glad to share and explore the possibilities.

9. What are the tax benefits in the USA of donating to IIT Kanpur?

US contributions are 100% Tax deductible u/s 501(c)(3) of US Internal Revenue Code. You can also donate through your company's Matching Grant Program. Please look for Indian Institute of Technology Kanpur Foundation Inc. in your organization list of approved organisations. The Foundation received its status as a 501(c)(3) tax-exempt organization from the IRS in January 2001 (EIN#: 94-3370645).
