Via Donor Advised Funds –

Depending on the DAF platform you use, they might reach out to IIT Kanpur Foundation to seek clarifications on the donations before they release money to IIT Kanpur Foundation. Please feel free to share this document with your DAF to assist them with any details about IIT Kanpur Foundation.

1. It takes anywhere between 2 weeks to 3 months for DAF's to transfer the funds to us.
2. DAF's may use any of the modes of transfer: ACH, cheques and wire transfer.
3. IIT Kanpur Foundation can never have any visibility about the time your DAF takes, nor how it will make the transfer of money to us.
4. As a best practice, do keep cfo@iitkfoundation.org and accounting@iitkfoundation.org in the loop if you have requested your DAF for a donation. On a best-efforts basis, the IIT Kanpur Foundation team can try to check with your DAF on the status of the payment. Most DAF’s are not obliged to answer queries raised by nonprofits. In our experience, it is not uncommon for many DAF’s to be unresponsive.

Via Company / Corporate Matching Donations –

There are 2 ways that you can donate via company matching donations –

1. First donate directly to IIT Kanpur Foundation via any of the modes (Wire / Stocks / DAF etc). Then inform your company of your donation and ask them to donate a corporate matching donation.
2. Pay your personal as well your company’s corporate matching donation together through your company’s donation platform.

Case I : In the former case, where you first donate directly, depending on your organization’s internal systems, the steps are as follows:

1. You will have to share the proof of your donation with your organization – the relevant person you must request might be from the Finance / HR / Marketing teams. Please find out internally.
2. Your company contacts IIT Kanpur Foundation to confirm the donation details you have shared with them.
3. The company might ask for our banking details – sometimes from you, or they might check with IIT Kanpur Foundation directly on this. Feel free to use this document to share information with your company.
4. Your company then processes the corporate matching donation and “settles” the amount to IIT Kanpur as per their internal corporate payment policies.
5. It takes anywhere between 6 weeks to 6 months to receive the matching donations from companies in this manner.
6. Companies transfer via ACH, Cheques and sometimes wire transfer.
7. IIT Kanpur Foundation can never have any visibility as to how much time will your company take, how much donation they will make, nor how they make the transfer of money to us.
8. As a best practice, do keep cfo@iitkfoundation.org and accounting@iitkfoundation.org in the loop if you have requested your company to make a matching donation. On a best-efforts basis, the IIT Kanpur Foundation team can try to check with your company on the status of the matching donations. Most companies are not obliged to answer queries raised by nonprofits. In our experience, it is not uncommon for companies to be unresponsive.
**Case II:** In case you wish to make both your and your company’s matching donation together through the company’s platform:

1. On your company’s corporate donation matching platform:
   a. Look up for - IIT Kanpur Foundation
