

IITK FOUNDATION

2023 ANNUAL REPORT

भारतीय प्रौद्योगिकी संस्थान कानपुर
Indian Institute of Technology Kanpur

President's Message

My fellow IITK alum,

The IITK Foundation board's term is for three years and as we complete our first term I once again welcome the broader IITK alumni community with this third Annual Report to update you on our activities, accomplishments, and finances.

About three years ago, a group of veteran IITK Foundation leaders – Deepak Bhagat, Abhay Bhushan, and Ram Misra – passed on the baton to lead the Foundation to, shall I say, a slightly younger team headed by me as the president along with my esteemed team members: Vinod Baya (CFO), Jai Rawat (VP Fundraising), Atul Mathur (VP Events), Surbhi Kaul (VP Marketing), and Ratan Bajpai (Secretary). Through our collective volunteering effort and with the support from IITKDF team led by Kapil Kaul at Kanpur we have achieved several accomplishments:

- Launching of IITK Foundation website <https://iitkfoundation.org>
- Publishing of annual newsletter to keep the broader alumni group updated on latest activities and finances
- Facilitating organization of the annual Karvaan event (more on this later)
- Running multiple fundraising campaigns for a number of causes (Covid related help, Laptop drive, various endowment chairs, etc.)
- Last but not the least, I am happy to report that through the entire first term, the team has helped raise over \$24,000,000 (twenty-four million) USD. I am very grateful to the generosity of the donors across the continent and would like to express my deepest thanks to my extended team at IITK Foundation as well as to Kapil Kaul and his entire support staff at IITKDF.

Maintaining continuity in leadership is quite important to sustain momentum in any organization. To that end, I am happy to report that a number of current IITK Foundation leaders (Vinod Baya, Jai Rawat, Ratan Bajpai, and myself) will continue to lead the Foundation in the next term. We welcome Divya Yerraguntla as a new board member to lead the charter of Outbound Marketing. We have also added a layer of officers to help with the execution of the Foundation. We welcome Sheo Jha (VP Legal), Sumeet Singal (VP Finances), and Vipin Agarwal (VP Fundraising) as new officers of the organization.

We bid farewell to Prof. Abhay Karandikar who has recently left the IITK director role and taken a position with Govt. of India as the top leader of the Department of Science and Technology. Prof. Karandikar had been a strong advocate of IIT Kanpur and significantly transformed the institute-alumni relationship during his tenure. We are deeply grateful for his service and wish him all the best in his new journey. Prof. S. Ganesh, currently serving as interim IITK director, has been added to IITK Foundation board as an ex-officio member.

We continued our tradition of a multi-city tour by a delegate of high-level IITK officials – dubbed - IITKarvaan. This year the IITK delegation consisted of Director Prof. Abhay Karandikar, DoIR Prof. Dharendra Katti, Prof. Sandeep Verma, Prof. Ashish Garg, and IITK DF CEO Mr. Kapil Kaul. The objective of the Karvaan once again has been to create massive outreach, brand promotion, university and corporate partnerships, and to promote faculty recruitment. The Karvaan began with a highly successful event in Silicon Valley hosted at the famous Computer History Museum in Mountain View. We also met with numerous accomplished IITK alums in the area and discussed possibility of establishing a formal framework of collaboration between IITK faculty and veteran subject matter experts in IITK alumni community. The Karvaan had additional stops at Houston and New Jersey. This was the first instance of a large meaningful gathering of IITK alum in greater Houston area. We hope that the

event will act as a catalyst for creating a sustainable IITKAA chapter in Houston. In New Jersey, the event was hosted at a beautiful golf club in Clifton and once again the IITK delegation had an opportunity to connect with a number of distinguished alumni about setting up a formal sustainable framework for collaboration. The pictures and videos of events at various cities are captured in Google Drive.

The generosity of our alumni has ensured that IIT Kanpur continues to get much-needed support in terms of resources and time for its growth and expansion. We extend our deep-felt acknowledgment and gratitude to Mr. Deepak Narula for contributing USD 650,000 towards the Gangwal School of Medical Sciences and Technology and joining the League of Founders; Mr. Rajiv Batra for his generosity by donating USD 275,000 towards New Faculty Fellowship, Endowed Chair and Student Award in Cybersecurity, Class of 1970 for selflessly contributing USD 122,000 towards the expansion and upgrade of the gym, whose Foundation Stone laying ceremony was held in February 2023; Mr. Pawan Tewari for his benevolence by contributing USD 380,000 for instituting the Pawan Tewari Chair & Scholarship and USD 500,000 for instituting the Goldman Sachs Endowment towards AI for Social Good, Mrs. Rooma and Mr. Ajay Dubey for generously donating USD 250,000 towards setting up Rooma & Ajay Dubey Healthcare Innovation and Ideation Program(HII). We thank Pullur family for donating USD 610,000 towards The Jay Pullur Neuroscience Initiative which involves instituting The Jay Pullur Non-Invasive Brain Stimulation Laboratory in the Cognitive Science Department, refurbishing PK Kelkar Library and creating an endowment. With your support, IIT Kanpur has been able to institute 7 new scholarships, 5 awards, 4 distinguished lecture series, 1 Young Faculty Fellowship, 1 New Faculty Fellowship, and 5 faculty chairs.

To provide an update on the overall fundraising status to support these initiatives: With the generosity of our benevolent alumni base, we have helped raise over \$8,000,000 (eight million) USD in the calendar year 2022 and over \$6,000,000 (six million) USD in calendar year 2023 (as of 9/30/2023). We express our deep gratitude to all our donors and our progress and success can only continue as we connect with more alumni across the North American continent and create even bigger momentum in the alumni base for the affinity towards the alma mater. We have summarized the fundamental yearly financial information in the newsletter. The detailed information is available at the Foundation website <https://iitkfoundation.org>. Like previous year, we have initiated a complete financial audit with an external firm to ensure that we follow all necessary processes and that our financial operations are in order in the eyes of the Internal Revenue Service. The audit process for FY-22 should complete in the next few months.

I must acknowledge the existing chapter leaders across the country who played an instrumental role in making the IIT Karvaan successful – Jitesh Jain, Shloke Hajela, Namita Maunder, Dhruv Singh, Swati Saxena from Silicon Valley; Ankur Rastogi from Houston; Saurabh Srivastava, Ram Misra, and Ratan Bajpai from New Jersey. Our quest for developing strong IITK local chapters around the country is continued. The chapters are the key enablers of keeping the local alumni base engaged through a variety of activities and strengthen the common bond for our alma mater. I am intending to appoint a dedicated board officer whose charter will be to identify and implement the processes that will facilitate this objective. I also ask the broader alumni for ideas that the foundation can pursue to deepen the engagement with alumni and help raise the prospects for IIT Kanpur.

I end this letter with a call to our broader alumni base to go to our website <https://iitkfoundation.org> to make donations to your favorite cause and/or reach out to us to volunteer in any and all activities.

Happy Holidays, Merry Christmas, and heartiest wishes for the New Year.

About IITK Foundation

Charitable Purpose

To receive donations, bequests, gifts and grants from alumni, chapters, benefactors, corporations, or trusts for use in education and research at IIT Kanpur in the fields of technology, science, social science and Humanities.

Alumni Services Purpose

To build a vibrant alumni organization, foster fellowship among alumni through local chapters, provide a forum for communication among alumni, and provide the means for involving alumni in support of IIT Kanpur and the mission of the IIT Kanpur Foundation.

Chapter Outreach

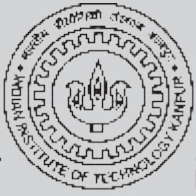

An active network of Chapters creates local communities of IITK alumni, which in turn connect into an expanding global network. Graduates of IIT Kanpur are urged to take full advantage of this powerful network that connects alumni across a diversity of age, experience, interest and geography.

Donations are used for

- Purchase of equipment, research and education
- Establishment of reference and research facilities
- Construction and renovation of research and education facilities
- Acquisition of real estate
- Establishment of endowments that IIT Kanpur may use for its future growth and maintenance
- Scholarships and fellowships for students attending IIT Kanpur, and for any other purposes specifically designated by donors, provided the donation furthers the education and research missions of IIT Kanpur.

Major Engagements & Outreach Activities of the year

IITKarvaan
Rekindle • Rejuvenate • Reconnect

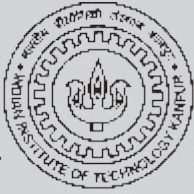

IITKARVAAN- USA

In its second year, IITKarvaan team was led by Prof. Abhay Kanrandikar, who held a series of alumni engagement events in San Francisco, Houston, and New York. Each event witnessed a remarkable participation rate- 85+ alumni in Houston, 250+ alumni in San Francisco and 180+ alumni in New York attended the event. These events provided an opportunity for our alumni to network and collaborate, and know about the latest developments at IITK. The Institute is grateful to Abhay Bhushan, Deepak Bhagat, Ashok Gadgil, Udai P Singh, Anjali Joshi, Devendra Shukla, and Smita Hashim for being an integral part of this visit. Post-event surveys indicated a high level of satisfaction among the alumni. They expressed their appreciation for reconnecting with IITK and fellow alumni. These outreach events proved to be a resounding success in rekindling connections with the alumni in the US and fostering a sense of pride and belonging to IITK.

Here is
what our
Alumni say

Excellent event!

Keep up the good work!

Great session. Well organised. Was happy to meet our Diro (Director) and hearing him about the great initiatives at IITK is always very exciting. Very well organised event!

It was great to meet the IITK delegate. Thank you for the effort to travel to the US.

Reunions

After a gap of more than two years, it was a great pleasure to host more than ten reunions this year. The enthusiasm and vigour of IITK alumni was quite evident as they actively participated in all the planned activities during the reunions from campus tour to picnic in nursery to boat riding in the Ganges to city sightseeing to karaoke and dance-masti. These reunions provided an excellent opportunity for our alumni to network, engage, reminisce, and bond with their fellow classmates. Such events help foster stronger relations with our alumni and reap the benefits of a more engaged and supportive alumni community. The highlight of the reunions was the grand 55th-year celebration of the Frontier Batch.

Class of 1968 - the Frontier Batch

The Class of 1968 - the Frontier Batch celebrated its 55th reunion from 10-12 March 2023. It was a pleasure to listen to their anecdotes and watch them relive their memories with their friends and families. One of the most enthusiastic classes, they actively participated in all the activities with full zest and vigour.

Class of 1983

The Class of 1983 celebrated its 40th reunion from 24th-25th Feb. 2023. Attended by more than 30 alumni along with their spouses, it was a great opportunity to reconnect and reminisce about their time on campus. The highlight of the reunion was a trip to Ganga Barrage where our alumni took boat rides and enjoyed the sun set.

Class of 1978

The Class of 1978 celebrated its 45th reunion from 17th-20th Feb. 2023. It brought friends together along with their spouses who looked into their past with many shades of emotions and were in awe of the present growth and expansion of the institute.

Class of 1977

The Class of 1977 celebrated its 45th reunion from 20th-22nd Feb. 2023. It was a reunion filled with interesting and funny anecdotes, dance, music, and pure nostalgia. Our alumni along with their spouses got an opportunity to explore the campus and admire its expanse. Some of our alumni also enjoyed the joy ride on gliders.

Class of 1976

The class of 1976 celebrated their 45th reunion online due to the Covid-19 pandemic; as part of this year's reunion series, an on-campus event was held to celebrate the same. It was an incredible experience to see alumni come together and reconnect with one another. It was a time to reminisce about old times, catch up on what they had been up to, and share their hopes and dreams for the future.

Class of 2010

The Class of 2010 celebrated its 10th reunion from 3-5 Feb. 2023. Attended by more than 60 with their families, alumni enjoyed breakfast in Hall 1 and picnic in the nursery. The Director's session gave them an opportunity to know the latest development and initiatives of the institute in recent years.

Class of 1971

The Class of 1971 celebrated its 50th reunion from 23 -25 Jan. 2023. Alumni attended the reunion with their spouses and had a nostalgic tour of the campus. It gave them an opportunity to rekindle memories and reconnect with their friends. Alumni also had an interactive session with the young students of IITKanpur.

Class of 1982

The Class of 1982 celebrated its 40th reunion from 13-15 Jan. 2023. The highlight of the reunion was the celebration of Lohri on 14 Jan. Alumni came with their families and rekindled memories with their friends.

Class of 1987

The Class of 1987 celebrated its 35th reunion from 6th-8th Jan. 2023. The Class took the campus tour and witnessed the growth of IITK; visit to Rozi Shiksha Kendra highlighted the work done by the rural youth, chat-papdi, gol-guppa were a hit. Prof. Ratnesh Kumar was felicitated as he could not attend the Foundation Day ceremony on 02 Nov. 2022.

Class of 1997

The Class of 1997 held its Silver Jubilee reunion from 30th Dec. 2022 - 01 Jan. 2023. More than 70 alumni attended the reunion with their families. It was heartening to witness the camaraderie and friendship of the alumni whose excitement knew no bounds of jubilation on meeting their fellow mates on the turf of their Alma mater. Dancing to the tunes of the latest hit songs, they ushered the New Year with sheer elation and merriment.

Class of 1996

The Class of 1996 celebrated their Silver Jubilee Reunion from 24 -26 Dec. 2022. More than 100 alumni got the opportunity to meet their friends along with their families. This reunion held a special place in their hearts as they were meeting their fellow alumni after two years of the pandemic.

Class of 1986

The Class of 1986 celebrated their 35th reunion from 20-23 Dec. 2022 with full fun and masti. One of the most enthusiastic batches of IITK, this batch played cricket, held dhaba-style dinners, and to top it all, they got an old-fashioned tempo, the one they would ride during their IITK days. In 'Pol-khol' session, many secrets were revealed; the stand-up comedy by Mr. Manoj Nair and Mr. Vivek Srivastava made the audience roll on the floor, laughing. Three days of fun and frolic, and creating new and happy memories.

Class of 1972

It was a reunion to remember for the Class of 1972 as they celebrated their 50th reunion in IIT Kanpur on 11-13 Nov. 2022. Alumni from around the globe attended a three-day event with their partners and loved ones that brought back memories of their life at the institute 50 years ago. An important milestone for them, where they rekindled and revisited their memories with their classmates, and commemorated this special day. The days were filled with activities such as a picnic to the nursery, fun and entertainment that showcased their talents in singing, dancing, music, poetry, etc., and a campus tour that not only made them reminisce but also left them in awe to see the rapid expansion of the institute. They were happy and elated to share their life experiences and learnings with the interactive student engagement and provided them professional guidance.

Alumni Day

In a one of its kind initiative, IIT Kanpur held its first Alumni Day on 25 Dec. 2022 along with the Silver Jubilee reunion of the class of 1996. IIT Kanpur witnessed the enthusiastic participation of 150+ alumni from across India and abroad. It was nostalgic as alumni from different batches (junior, seniors & batch mates) interacted with each other and recollected fond memories of their Alma mater. Alumni day will now be an annual event celebrated at the IIT Kanpur campus on the last Sunday of December. IIT Kanpur has always valued its alumni and this day is our attempt to bring alumni back to the campus & make them feel a sense of nostalgia, camaraderie, and pride. It is also an opportunity to keep them pace with the progress made by the Institute and how we can find ways for their more effective contribution to the Institute and fellow alumni.

Jay Pullur Neuroscience Initiative Launch Event

Through the generous contributions of late Mr. Jay Pullur (MT/CSE/1987) and Mrs. Nirmala Pullur, IIT Kanpur established the 'Jay Pullur Non-Invasive Brain Stimulation Laboratory' in the Cognitive Science Department. This laboratory will focus on cutting-edge research in Brain Mapping & Stimulation, making valuable strides in neuroscience. The reading room in P K Kelkar Library has been renovated & equipped with new furniture as 'Jay Pullur Reading Room'. An endowment fund has been created to support & promote neuroscience research. The fund will be utilized to organize lecture series, provide student scholarships, and offer travel grants to research scholars, thereby fostering growth and innovation in the field.

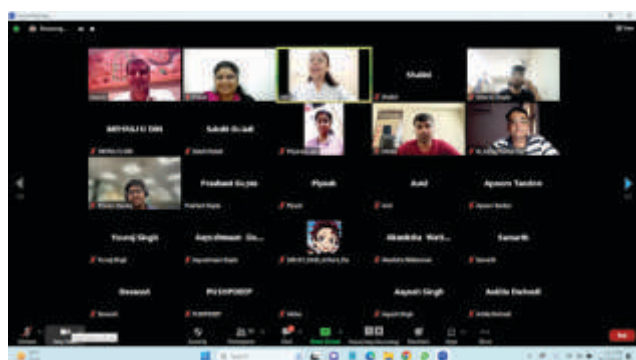

IITKonverge is an initiative for continuous engagement with two vital pillars; Donors and Beneficiaries. This will help its stakeholders to engage and understand the programs and the impact it has created. Harnessing the relationship with the stakeholders will help to establish long-term association and the success of the institute. We have been able to connect 20 donors and more than 90 beneficiaries.

AlmaKconnect

AlmaKconnect is a new platform where Alumni will connect with the students on a regular basis virtually or impersonally to foster a sense of community, promote learning beyond the classroom, and provide valuable connections and resources as the students navigate their academic and professional journeys. Goals of such interaction to improve their personal and professional development, their networking, sharing knowledge and experience, help in their career guidance etc. Through this highly interactive and constructive program, we have been able to engage 460 students through six talks by our alumni. IITK students have benefited from this program helping them steer their academic journey with ease.

If you wish to share your experience and knowledge with our students, please click here:

<https://iitk.ac.in/dora/almakconnect/>

Alumni Mentorship Program

The Alumni Mentorship Program is an initiative taken by the batch of 1972. It is designed to connect our students with experienced alumni who can provide guidance, advice, and support for their career aspirations. It provides an excellent opportunity for IITK students to seek counselling and guidance on one-to-one basis thereby increasing their career development chances and establishing a long-term fruitful relationship with their mentors. Through this program, IITK has been able to connect 100 mentors with 300 mentees.

To join this program, please click on the given link <https://almaworld.iitk.ac.in/mentoring/>

Kritagya 2022

The second edition of Kritagya 2022 (the Gratitude Book) was launched in July 2023. Through this book, we express our heartfelt gratitude to all the donors who have been the pillars of support for IIT Kanpur. Our alumni and well-wishers across the globe have always believed in our vision and contributed selflessly. Their unwavering commitment has been the driving force behind the growth and excellence of the institute. Through their generous contributions, we have been able to expand in all horizons and strive hard to tread on the path of excellence. Kritagya is our way of celebrating the spirit of giving and expressing our deep appreciation for each donor who has played a pivotal role in shaping the future of IIT Kanpur.

Gangwal School of Medical Sciences & Technology

The Union Minister of Education and Skill Development & Entrepreneurship, Shri Dharmendra Pradhan laid the foundation stone of the Gangwal School of Medical Sciences and Technology and Yadupati Singhania Super Speciality Hospital at the IIT Kanpur campus on 16th July 2022 by unveiling the plaque. The ceremony was presided over by Dr. K. Radhakrishnan, Chairman, Board of Governors, IIT Kanpur. The medical school donors Shri Rakesh Gangwal, Co-Founder, Indigo Airlines; Mrs. Sushila Devi Singhania, Chairperson, JK Cement Ltd, Dr. Nidhipati Singhania, Vice Chairman, JK Cement Ltd., Dr. Raghavpat Singhania, MD, JK Cement Ltd; Shri Muktesh Pant, Founder, Micky and Vinita Pant Charitable Foundation; Shri Hemant Jalan, Founder, Indigo Paints Ltd; and Shri Gaurav Sharma, VP, India Software Labs, IBM India Pvt. Ltd graced the occasion. The Gangwal School launched its website (<https://gsmst.iitk.ac.in/>) and Newsletter “Svasthya” (<https://gsmst.iitk.ac.in/svasthya-pdf/>) in Dec 2022.

Infrastructure: Tata Consulting Engineers Limited (TCE) was on boarded as Project Management Consultant for the project. Both Hosmac India Pvt Ltd and TCE are working with the IITK team on collating the procurement and design drawing for a composite tender for the Medical School. Campus development including boundary walls, road development, landscaping, etc is under progress. Currently, the casting of slab up to G+4 is completed for the residential block.

Bhumi Pujan ceremony was held on 25 Sept. 2023 at the construction site.

Y23
Orientation

Orientation20 Programme23

An orientation session was held on Student Welfare Initiatives & Programs for the Y23 batch on 25 Aug. 2023. The aim of the session was to apprise first year students on various scholarships, awards, and other programs that are offered at the institute.

Youth 20 Consultation

IIT Kanpur hosted the Y20 Consultation supported by the Ministry of Youth Support and Affairs as part of the G20 Presidency of India on 6th April 2023. The Y20 Consultation provided a platform for young minds to deliberate on three main topics - "Future of Health," "Technologies for Sustainable Future," and "Innovation in Future of Work." Over 1500 youth delegates participated.

ONE EARTH • ONE FAMILY • ONE FUTURE

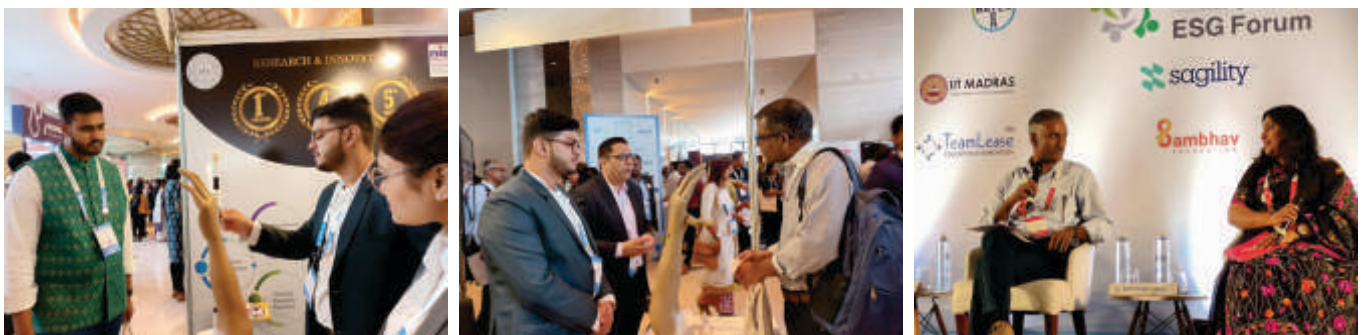

India CSR Summit 2023

At India CSR Summit 2023, IIT Kanpur had an opportunity to network with corporates, non-profit, and government agencies. The institute showcased some of its R&D products like, Life-to Limb (a bionic arm for the physically challenged), Atmos (Air quality monitoring device), Sit-to-Stand Smart Stick (for the elderly), and Smart Touch Watch (for the visually impaired). The #institute also highlighted its major projects, centers, and departments, such as the Gangwal School of Medical Sciences & Technology, Hridayantra, Cyber Security Hub, and Sustainable Energy & Engineering Department.

Prof. Ashish Garg, HoD, Sustainable Energy & Engineering, participated as a moderator in the panel discussion on Fostering Cross Sector Collaboration towards Climate and Sustainability Action in India.

The inaugural session was addressed by Prof. Ajay Kumar Sood, Principal Scientific Advisor to the Govt. of India. The Summit saw the confluence of more than 200 stakeholders across India and a number of panel discussions on thematic areas like, sustainability action in India, technology for better social impact, understanding CSR compliance, healthcare, CSR funding to non-profit agencies, and way forward.

East Coast Chapter Events

IITK East Coast Alumni Association has two flagship events that we have been organizing for many years regularly:

- Annual Picnic - held on the 2nd Saturday of August has been going on for 29 years now
- Holi get together

In addition, there are one-off events that are organized by chapter members and executive committee to increase interactions among members. There were two such events that took place this year so far:

- Hiking at South Mountain Reservation (Millburn, NJ) on September 9th
- Alumni Meetup in Downtown Manhattan on September 27th

We are also planning a year end get together in NYC in December.

Also the east coast chapter helped organize the NY-NJ leg of IITK Director's Karvaan event on 20th August. Here is a video of the link: <https://youtube.com/watch?v=o0zLzVunzZE&feature=sharec>

Note: Some sample pictures for each of the events are in the folder here:

Fundraising Campaigns

Season of Giving *embrace the spirit of generosity*

IIT Kanpur aspires to be a globally recognized institution of excellence, committed to produce scholars, leaders, and innovators of tomorrow who will drive a positive change in the world. Our vision has always been to inspire our students with knowledge and skills and give wings to their dreams. We aim to provide educational experience that empowers our students to think critically and pursue their aspirations with confidence. The institute strives hard to create an environment of intellectual growth, excellence, innovation, and successful partnerships, where students and faculty explore their academic and research dreams.

Season of giving is a cherished tradition of IIT Kanpur and gives us an opportunity to come together as a community and make a meaningful impact on the lives of students, faculty, and the community of the institute. We encourage our alumni, donors, and well-wishers to contribute to various causes and projects of the institute. We invite you to be a part of the Season of Giving campaign and make a significant impact on IITK's growth. With every contribution, you become a partner in the brighter future of your alma mater.

To donate click on the link: <https://iitkfoundation.org/season-of-giving.php>

Scholarships and Programs

Ajay and Rooma Dubey HealthTech Ideation and Innovation Grant (HII Program)

Instituted by Mr. Ajay Dubey and his wife, Mrs. Rooma Dubey, HII program aims to seed and nurture innovations in health technology and build an ecosystem and nurture students start-ups in the domain of HealthTech. This program will expose students to various problem statements and motivate them to come up with technology solutions, and develop technological ideas for the betterment of the healthcare system.

HII Program conducted on 13 Sep 2023

Program Management System (PMS) serves as a user-friendly interface for our esteemed donors. Through this portal, donors can log in individually access impact reports from beneficiaries and utilization certificates against their supported initiatives. From FY 21-22, PMS has been designed to facilitate the collection of progress reports, impact assessments, expressions of gratitude from beneficiaries, and utilization certificates.

Alumni Hall of Fame

Dr. Neeraj Kayal (BT/PhD/2002/2007) was awarded the prestigious Shanti Swarup Bhatnagar Prize for Science & Technology 2022. Dr. Kayal currently serves as a Principal Researcher at Microsoft Research Lab in Bengaluru. He works in the areas of complexity theory, algorithms, and related areas of theoretical computer science.

Dr. Dipti Ranjan Sahoo (MT/PhD/2004/2008) was awarded the prestigious Shanti Swarup Bhatnagar Prize for Science & Technology 2022. Dr. Sahoo currently serves as Associate Dean (Infrastructure) and Professor of Structural Engineering in the Dept. of Civil Engineering in IIT Delhi.

Mr. Farhan Ahmad (BT/CHE/1998) was appointed as the Chief Financial Officer at Enovix Corp.. He has earlier served as the Vice President, Investor Relations and Finance Strategy at Micron where he was responsible for driving long range strategic planning and cost competitiveness.

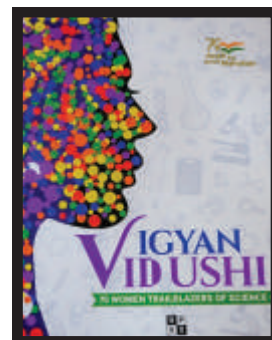

Shri Amit Agrawal was appointed as the CEO of Unique Identification Authority of India (UIDAI). He is an officer of the 1993 batch IAS from the Chhattisgarh cadre.

The Ministry of External Affairs appointed Shri Upender Singh Rawat (MSC5/PHY/1995) as the next High Commissioner to Uganda. Shri Rawat is an Indian Foreign Service officer of 1998 batch.

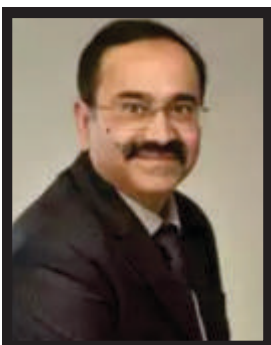

Prof. Rohit Verma (BT/MME/1990) was appointed as the Dean of Darla Moore School of Business, University of South Carolina. He currently serves as the founding provost at VinUniversity in Hanoi, Vietnam, and is also a professor of operations, technology and information management at Cornell University's SC Johnson College of Business.

IITK alumnae, Prof. Sandhya S. Visweswariah (MSC2/CHM/1980), Prof. Jyotirmayee Dash (PhD/CHM/2003) and Prof. Sudeshna Sinha (MSC5/CHM/1985) got featured in Vigyan Vidushi: Indian Women Scientists, an initiative of Vigyan Prasar to highlight the contributions of Indian scientists since 1848.

Mr. Saurabh Tripathi (BT/EE/1996) was appointed as the Leader, Global Financial Institutions Practice at Boston Consulting Group, Mumbai. His expertise lies in banking and financial services and has over 17 years of experience in consulting. He did his bachelor's in Electrical Engineering from IIT Kanpur in 1996 and was awarded the President's Gold Medal.

Mr. Anup Bagchi (MT/CHE/1977) was appointed as the next MD & CEO of ICICI Pru Life Insurance.

Mr. Pankaj Gupta (BT/EE/1994) was appointed as the MD & CEO of Pramerica Life Insurance. He earlier served at HDFC Life, where he was Group Head – Distribution Strategy & Alliances and was part of HDFC Life's top Leadership team.

Dr. Ajay Kumar (BT/EE/1984) joined IIT Kanpur as Distinguished Visiting Professor jointly in the Department of Economic Sciences & Department of Industrial Management & Engineering. He is a former Defense Secretary and Distinguished Alumnus of IITK.

Dr. Eshan Chattopadhyay (BT/CSE/2011) was awarded the prestigious Sloan Research Fellowship 2023. He is an Assistant Professor in the Dept. of Computer Sciences at Cornell University. He is a theoretical computer scientist.

Dr. Debanjan Chowdhury (MSC5/PHY/2010) was awarded the prestigious Sloan Research Fellowship 2023. He is an Assistant Professor in the Physics Department at Cornell University.

Dr. Smita Hashim (BT/EE/1986) joined Zoom as the Chief Product Officer. She earlier served as Director & Head of Product Management, Google Cloud Maps Platform at Google, California. She is a Distinguished Alumna of the IIT Kanpur.

Mr. Anil Bansal (BT/MME/1977) was named The South Asian Times Person of the Year 2022. He was felicitated by the Consul General of India in New York, Mr. Randhir Jaiswal. He is a serial entrepreneur with several successful ventures across software, finance, and real estate.

Mr. Raj Kumar was appointed as the new Chief Secretary of Gujarat. Of 1987 IAS cadre batch, he has also served as Joint Secretary, Dept. of Economic Affairs; principal secretary, Gujarat govt. in food and supplies department. Shri Kumar did his Electrical Engineering from IIT Kanpur.

Dr. Deepak Pathak (BT/CSE/2014) was awarded the 2022 Okawa Research Grant. Dr. Pathak's research has focused on making robots adaptable to real-world environments. His work with legged robots has enabled them to maneuver across nearly any terrain, climb high stairs and clamber over obstacles.

Prof. Monica Katiyar (BT/MME/1987) Department of Materials Science & Engineering at IITK, was elected as the Fellow of the Indian National Academy of Engineering (INAE) for the year 2022 for her outstanding contributions in engineering.

Prof. Jayant K. Singh (BT/CHE/1997) was awarded the NASI- Reliance Industries Platinum Jubilee Award 2022, covering both physical and biological sciences. The award is constituted by the National Academy of Sciences, India (NASI) and is given to an individual researcher for application-oriented innovations. He was also elected as the Fellow of the Indian National Academy of Engineering (INAE) for the year 2022 for his outstanding contributions in engineering.

Prof. Ashok Gadgil (MSc2/PHY/1973) was awarded the prestigious White House National Medal for Technology and Innovation by the US President, Mr. Joe Biden. Prof. Gadgil was presented the medal for providing life-sustaining resources to communities around the world. His innovative, inexpensive technologies help meet profound needs, from drinking water to fuel-efficient cookstoves.

Dr. Rakesh K. Jain (BT/CHE/1972) was selected for the prestigious 2022 Szent-Györgyi Prize for Progress in Cancer Research.

Prof. Arnab Rai Choudhuri (MSC2/PHY/1980) got selected for the prestigious Subrahmanyan Chandrasekhar Prize of the Division of the Plasma Physics of the Asia-Pacific Physical Societies 2022.

Prof. Ratnesh Kumar (BT/EE/1987) was awarded the Outstanding Achievement in Research by Iowa State University for exemplary national and international reputation for contribution in research and dedication for guiding and influencing research of students.

Dr. Girish Pahwa (Phd/EE/2020) got selected for the 2022 IEEE Electron Devices Society Early Career Award. He currently serves as the Executive Director at Berkeley Device Modelling Center, UC Berkeley.

Prof. Deepak Dhar (MSC2/PHY/1973) was conferred with the prestigious Padma Bhushan 2023 award by the Govt. of India in the field of Science & Engineering. He is a theoretical physicist and a distinguished professor in the Physics department of IISER Pune.

Dr. Debanjan Chowdhury (MSC5/PHY/2010) was awarded the prestigious Sloan Research Fellowship 2023 as an Assistant Professor in Physics Department at Cornell University. His research focuses primarily on the study of strongly correlated quantum matter, using techniques from quantum field theory and quantum information.

Dr. Eshan Chattopadhyay (BT/CSE/2011) was awarded the prestigious Sloan Research Fellowship 2023. He is an Assistant Professor in the Dept. of Computer Sciences at Cornell University. He is a theoretical computer scientist.

Prof. Nitin Saxena (BT/PhD/CSE/2002/2007) was awarded the prestigious J.C. Bose Fellowship.
He was inducted as a Fellow of Indian National Science Academy.
He was awarded the IIT Bombay International Award for Excellence in Research in Engineering & Technology for 2023.

Prof. Nitin Gupta (BT/CSE/2004) was selected for the S. Ramachandran National Bioscience Award. An alumnus of IITK, he is a faculty at the Biological Sciences & Bioengineering Department.

Prof. Abhay Karandikar (MT/PhD/EE/1988/1994) was appointed as the Secretary, Department of Science & Technology (DST, GOI) Prof. Karandikar is an alumnus of the institute and joined as its Director in 2018.

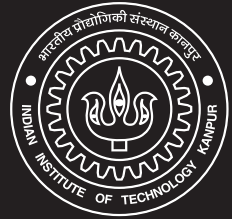

Alumni – Awards and Recognitions

संस्थान स्थापना दिवस THE INSTITUTE FOUNDATION DAY

Institute Fellow Recognition

Distinguished Alumnus Award | Distinguished Services Award

Young Alumnus Award | Satyendra K. Dubey Memorial Award

Celebrating its 64th Foundation Day on 02 Nov. 2023, IIT Kanpur was privileged to have Dr. Abhay Karandikar, Secretary, Dept. of Science & Technology, India, as its Chief Guest and BoG Chairman, IITK Dr. K. Radhakrishnan Kopalli as the Guest of Honor. The event witnessed the presence of esteemed and highly accomplished alumni whose contributions have brought seminal changes in their respective fields, and have thus become a name to reckon with globally. Honored with the institute's prestigious awards, such as the Distinguished Alumnus Award, Distinguished Services Award, Young Alumnus Award, and Satyendra K. Dubey Memorial Award, all the 18 awardees were overwhelmed and humbled by this recognition. The Institute also honored two of its highly esteemed faculty by conferring upon them the prestigious Institute Fellow, Prof. Deepak Kunzru, and Prof. Achla M. Raina.

Alumni – Awards and Recognitions

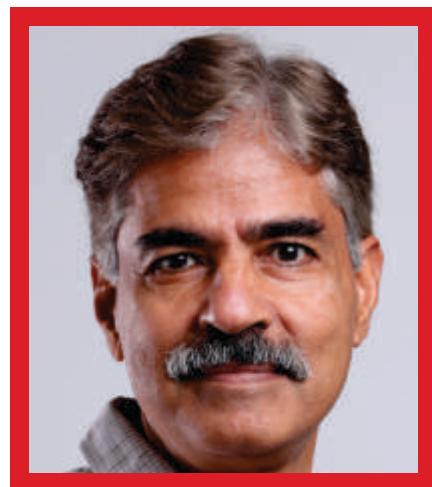

Prof. Atish Dabholkar
(MSC/Phy/1985)
Director, International Centre for
Theoretical Physics
Assistant Director General, UNESCO

Dr. Charu C. Aggarwal
(BT/CSE/1993)
Distinguished Research Staff (DRSM),
IBM T. J. Watson Research Center

Prof. Ashish Goel
(BT/CSE/1994)
Professor at Stanford University

Prof. Pankaj Jalote
(BT/EE/1980)
Distinguished Professor
Indraprastha Institute of Information
Technology Delhi

Mr. Anup Bagchi
(BT/CHE/1990)
Managing Director CEO,
ICICI Prudential Life Insurance

Mr. Durga Shankar Mishra
(BT/EE/1983)
Chief Secretary, Uttar Pradesh,
Govt. of Uttar Pradesh

Mr. Prashant Kumar Jain
(BT/ME/1989)
Chief Investment Officer,
3P Investment Managers Pvt. Ltd.

Prof. Yashwant Gupta
(BT/EE/1985)
Centre Director, National Centre for
Radio Astrophysics
Tata Institute of Fundamental Research

Dr. Renu Mehra
(BT/EE/1991)
Vice President Engineering,
Synopsys, Inc.

Mr. Rajnish Kumar
(BT/CSE/2001)
Co-Founder & Group CPTO, ixigo

Dr. Venkat Krishnamurthy
(BT/CSE/1992)
President and co-founder of Alignable, Inc.

Mr. Anil Bansal
(BT/ME/1977)
President,
First National Realty Management, Inc.

Mr. Gautam Khanna
(BT/ME/1988)
CEO, P D Hinduja Hospital & MRC

Mr. Jai Shankar Sharma
(BT/MME/1977)
Mentor, Bangalore Chapter,
IIT Kanpur Alumni Association

Dr. Mohit Bansal
(BT/CSE/2008)
John R. & Louise S. Parker Professor
Director of the MURGe-Lab,
Department of Computer Science
University of North Carolina

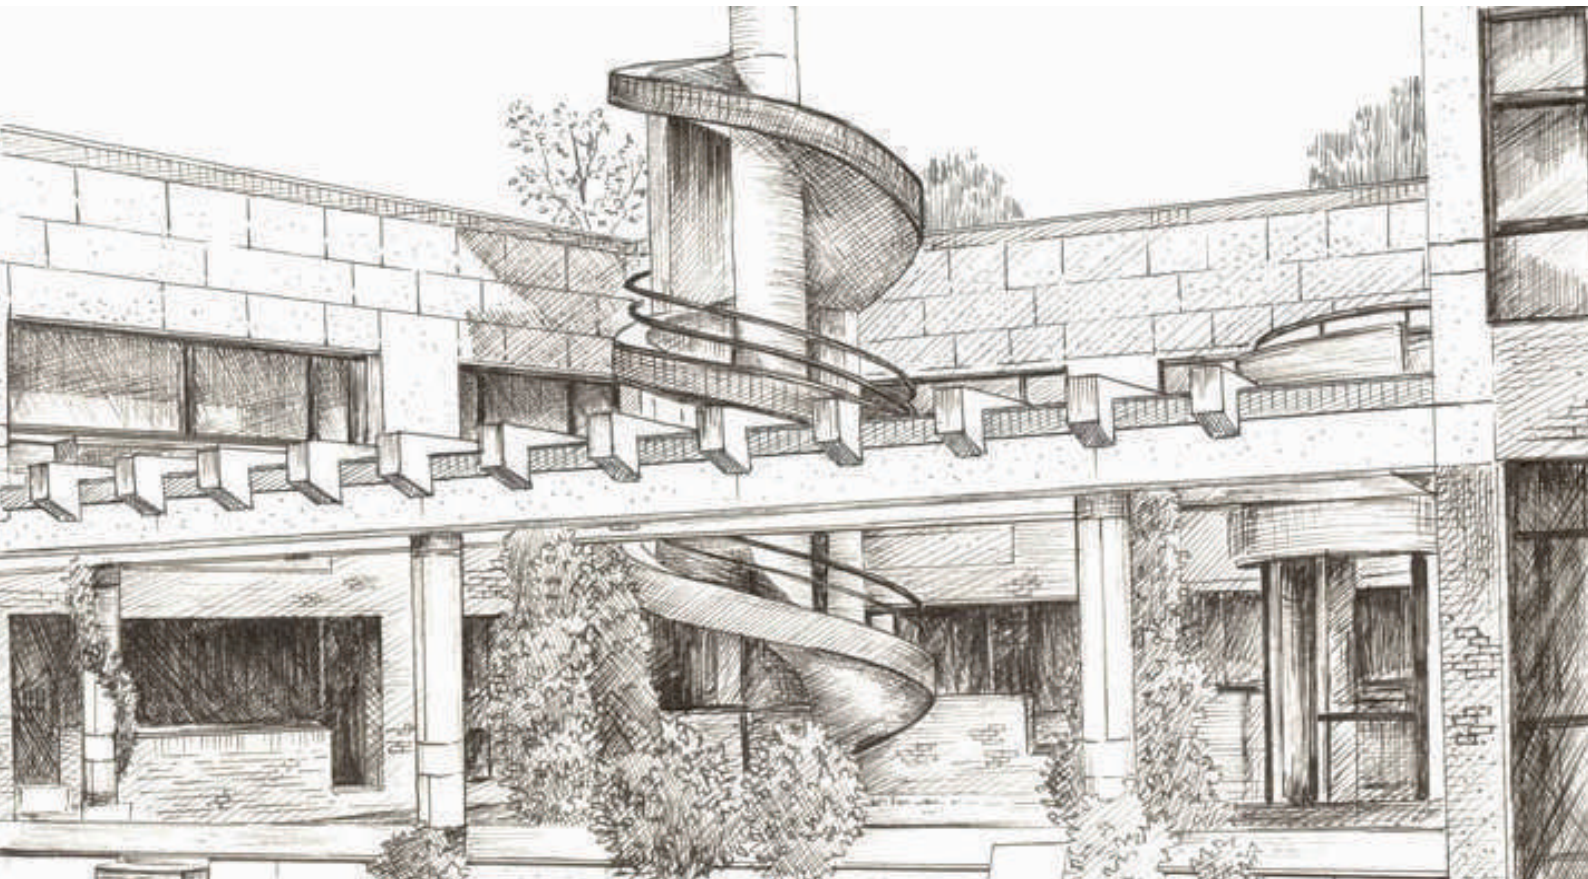

Dr. Pravesh K Kothari
(BT/EE/2010)
Assistant Professor
Department of Computer Science
Carnegie Mellon University

Mr. Ashok Kamath
(MSC/MATH/1981)
IIT Bombay
Chairman, Akshara Foundation

IPS Somay Vinayak Munde
(BT-Dual/CHE/2013)
IIT Bombay
Superintendent of Police,
Latur District, Government of India

FAQ's for Donation

1. How can I make a donation to IITK?

You can donate to IIT Kanpur through various methods, including online donations, bank transfers and cheques through the IITK Foundation website <https://iitkfoundation.org//donate>

2. Is there an online donation portal available for contributions to IITK?

Yes, IIT Kanpur typically maintains an online donation portal on its official website, where you can securely make donations using credit cards, debit cards, or other online payment methods <https://iitkfoundation.org//donate>

3. Can I make a donation through a bank transfer?

Yes, you can make a donation to IITK via bank transfer. Click here to know more <https://iitkfoundation.org/donate/Annual-Gift-Programme> or contact cfo@iitkfoundation.org.in for the necessary bank details, including the account name, account number, branch name, bank name, and relevant codes

4. Are there specific funds or projects at IIT Kanpur that I can contribute to?

Yes, IIT Kanpur often has established unrestricted funds or specific projects that you can contribute to. These funds are designated for various purposes, such as scholarships, research initiatives, or infrastructure development

5. Can I designate my gift for a specific purpose?

Yes—in fact, the Institute encourages you to direct your contribution to a program that is meaningful to you. Explore the Institute's giving opportunities to learn about the many other areas that can benefit from your support

6. What should I do if I want to include IIT Kanpur in my estate planning or will?

If you wish to leave a legacy donation, you can include IITK in your estate planning and will. Consult with your legal advisor to ensure your intentions are properly documented or contact cfo@iitkfoundation.org.in

7. Does my employer offer a matching gift program for donations?

Some employers have matching gift programs where they match or multiply their employees' charitable contributions. Check with your employer to see if such a program is available, which can significantly increase the impact of your donation

8. How can I make a donation in memory of someone?

Many people choose to give to IITK in memory—or in honor—of a family member, classmate, faculty member, or friend. Please drop us a mail at dora_desk@iitk.ac.in and we will be glad to share and explore the possibilities.

9. What are the tax benefits in the USA of donating to IIT Kanpur?

For US Contribution are 100% Tax deductible u/s 501(c)(3) of US internal revenue code. You can also donate through your company's Matching Grant Program. Please look for Indian Institute of Technology Kanpur Foundation Inc. in your organization list of approved organisations. The Foundation received its status as a 501(c)(3) tax-exempt organization from the IRS in January 2001 (EIN#: 94-3370645)
